UNIQUE OPTIONS TO CREATE
THE ULTIMATE IN TILE DESIGN

1 - This one-of-a-kind abalone shell tile is totally made by hand. 3 - "Christmas Sea Tree," a custom tile perfect for a kitchen, whimsical bathroom, or fireplace. Gaye Weatherly of Weatherly Tile & Stone adds, "I've given this tile as a gift to be used as a trivet. I've also framed it with glass tile and mounted it onto a wooden background to hang in the kitchen during the holidays. 4 and 5 - Handmade starfish tiles available in a variety of colors, by Van Gogh. 6 - A fabulous decorative tile that works great as a liner in a shower or for a fabulous look around a fireplace. 7 - A sample tile piece featuring a mixture of slate and precious metals. All tile shown from Weatherly Tile & Stone.

2 - This bath is filled with luxurious tile and stone. The floor features 12x12 honed limestone tiles. A band of decorative tiles accents the wall of 6x4 aqua-colored glass tiles. From Cape Cod Tileworks.
